

## CONDUCT

Nemesyn Gaming, as an entity, is singularly concerned with, and will only concentrate on, the creation, playing, and provisioning of the games it creates. The Nemesyn Gaming website, chat platforms, video platforms, and all social media platforms, are considered a **"Politics Free Zone"**. While Nemesyn Gaming respects that the players, visitors, and those that help create the game might be passionate in promoting their opinions on various political, religious, economic, and social issues, we ask that you refrain from doing so in connection with, or apart of, Nemesyn Gaming.

---

Nemesyn Gaming is committed to providing a gaming environment free from bullying, harassment, or any negative, dangerous activities. We aim to ensure that all players are treated, and treat others, with dignity and respect. This policy covers bullying or harassment which occurs on any electronic platform, as well as at an in-person event, or game-related social functions.

What will be considered Harassment? Any unwanted conduct that has the purpose of violating a person's dignity or creating an intimidating, hostile, degrading, humiliating or offensive environment for them, specifically targeting a person because of their age, disability, gender, marital or civil partner status, pregnancy or maternity, race, color, nationality, ethnic or national origin, religion or belief, political ideology, sex, sexual orientation or conduct of a sexual nature.

What will be considered Bullying? Bullying is malicious or insulting behavior, abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying can include the use of personal strength or the power to coerce through fear or intimidation, not necessarily from someone in a position of authority.

The games of Nemesyn Gaming were created to be played and enjoyed by everyone. However, we understand that the dark settings that are sometimes depicted in the game's fantasy environment may display various grotesque moralities and vile practices that could make some players uncomfortable. These fictional accounts should in no way be viewed as an endorsement, admiration, or condoning such acts.

Nemesyn Gaming embraces the individual differences of all its players. We respect the life experiences, knowledge, inventiveness, innovation, self-expression, unique capabilities, and talent that the players bring to the gaming community. Nemesyn Gaming is committed to cultivating and preserving this diversity.
