

Nemesyn Adventures

Nemesyn Gaming hosts a PICK-YOUR-PATH (PYP) Adventure game in the FaceBook Group called Nemesyn Adventures. It's a public group, and all are welcome to play. The Adventure is a FREE text-based, multiple-ending story-adventure game. It's meant to provide all members of the gaming community a fun distraction and a brief glimpse into the mythos and lore of the Nemesyn gaming world. Although many rules, items, and mechanics of the PYP may be based on the Nemesyn Roleplaying Game – it is not the actual gameplay.

HOW TO PLAY

The PYP is centered on a Hero, the protagonist, and is presented as a story that's broken into several parts. Each part is posted, sequentially, on social media. As each part is presented to the players, the players will be required to choose (or vote) between listed options on how the Hero should continue. The total number of votes from the community will determine the story's direction. However, the player's individual choices will determine the player's score.

Each option is assigned a hidden point value. The greatest value corresponds with the option that will lead the Hero to the best outcome in the story. At the story's conclusion, the player with the most accumulated points will be declared the first-place winner of the game. The player with the second-most points will be declared the second-place winner and so forth. For each game, prizes may be assigned as a reward for the 'placed' winners. The type and number of prizes may vary. The prizes will be listed at the start of the PYP, along with any conditions, requirements, and exclusions that may be applied to the distribution of prizes.

PRIZES

Winners must be a member of the Nemesyn Adventures Group (Facebook) to claim any prize. The same player is not eligible for the same prize, twice. The delivery of prizes will be based on available stock and is not normally immediate but will always be honored. If the winner resides outside of the continental United States, the winner may be asked to provide the cost of shipping.

TIES

In the event of a tie, between the players with the most points, the number of 'missed' votes for each part of the story, for each player, will be counted, and the winner will be the player with the least missed votes. If the tie remains, both players will share the position of **FIRST PLACE**.

NOTICE

No purchase of the Nemesyn Role Playing Game or any other Nemesyn Gaming, Inc. product is necessary or required to participate in the **Pick-Your-Path Nemesyn Adventures**. This game will take place on a social media platform, as such, any players that engage in hostile verbal confrontations which include, but are not limited to, harassment, offensive language, unkind criticism, threats of violence or dishonorable gamesmanship will be removed from the game and any points accumulated, during the game, will be forfeit. Players that engage in such behavior may be banned from participating in any future games. Remember, the point of this game is to have fun.
